

Arnprior & McNab/Braeside Archives

Note: Images from our collection which appear online are shown at low resolution. Higher resolution copies are available by contacting us.

Research Assistance: If you are unable to visit the Archives in person we can provide research assistance. The first half hour is free and for further research we charge \$25.00 per hour.

Copying Services:

The Arnprior & McNab/Braeside Archives provides reproduction of its textual, photographic and audio holdings on a user-fee basis, with differential rates for non-commercial and commercial uses of these reproductions.

Due to the fragile condition and light sensitivity of some holdings, reproduction services may be subject to limitation or refused. As well, photographic images created after 1949 may also be restricted. This is at the sole discretion of the archivist.
